WSO Delegate Report
Area World Service Committee
September 13, 2020

Thank you all for giving a virtual day of service to our Area!

I. Chairman of the Board Letter - July 2020

The 2021 World Service Conference Theme:

Moving Forward with Unity, Courage, and Perseverance

Throughout our service structure, we strive to deepen our understanding of Al-Anon's spiritual principles and Legacies. How we talk to each other and reason things out, how we gather and share information and make decisions, are all rooted in these principles. The World Service Conference Theme is one way to focus our efforts.

During the last six months of this pandemic I've seen how together, and in unity, we've swiftly adapted to meeting virtually in our groups, districts, and Area. I know how much courage it takes to move forward into a changed reality, and to persevere, one day at a time. Together we're working to recover, while serving our fellowship and fulfilling our primary purpose: to help the families and friends of alcoholics.

So let's bring this new theme into our District and Area meetings as we approach 2021—the year we celebrate the 70th Anniversary of Al-Anon!

II. Highlights of the COB Letter

The following attachments were sent with my Delegate's Report:

Chairman of the Board (COB) Letter and the WSO Finance Committee Report (Eng-Spanish) You can find the Policy Committee and Conference Leadership Team (CLT) reports at al-anon.org > Members > Board of Trustees, where they are clearly laid out.

- Finances: The response to the May Appeal Letter was overwhelming. Contributions for June 2020 were \$509,058. This set a record for the most contributions ever received in one month! We still project a \$420,000 shortfall for 2020 due to decreased literature sales. (See Finance letter for more details.)
- 2021 WSC will be held in Tarrytown, NY from April 12 to April 16, 2021. Conference Members will visit Stepping Stones.
- Board Members recognize the unique opportunity for the BOT to engage in conversation with members. The idea of a "virtual town hall" meeting was proposed. A plan is being developed and will be provided to the Area Delegates in the beginning of September.
- Policy Committee: has been using our Legacies to spiritually ground any proposed changes to the Service Manual.

- Report from the Electronic Meeting Work Group and Board of Trustees: recommendations for electronic events operating within the service structure, and for electronic meetings to move toward operating the same way other AI-Anon meetings do, as described in our AI-Anon/Alateen Service Manual
- Update: 2020 International AI-Anon General Services Meeting (IAGSM) goes electronic.

III. Cooperation with Other Areas

One of the joys of service as Delegate is getting to know trusted servants from all over the country. This has led to our cooperating with other Areas in the following ways:

- Calif-South
June 2020
Shared with NYS their “Important Considerations-Hybrid Meetings” letter, which is included in your materials. NYSA DRs met to discuss best practices for virtual meetings, and questions for groups to consider before changing formats or reopening face-to-face.
- Calif-North
Sept. 5, 2020
Unifying Rural and Large Geographic Regions Workshop.
KBDM: Our stated goal for 2022-2024 “Organization: AFG, Inc. has one global structure, increasing access to knowledge, resources, and the program.”

If we truly aspire to having a worldwide service structure, local links of service need to be strengthened. A questionnaire to groups could help us better understand the obstacles to doing so.

As an Area, what follow-up would we like to consider?
And how best to reach groups that don’t have a GR and/or districts without a DR?

- ❖ Put the questionnaire on the Area website so anyone could get access to it?
 - ❖ Create a Survey Monkey so the results can be more easily compiled?
 - ❖ Discuss again at the October Assembly?
- Florida-No.
Sept. 15, 2020
6:00-7:30 pm
Electronic Meeting Workshop: will include a presentation and conversation with a former and current member of the Board of Trustees. **All members are welcome!**
The flyer was sent with this report.

VII. Closing Remarks

This year, our 2020 Conference Theme was **Dreaming Big with 20/20 Vision**. And we certainly have dreamed big in our Area, with over 200 groups meeting on virtual platforms or conference call. In recent meetings, members joined from the British Isles, Hawaii and Australia!

We truly are a worldwide fellowship. The technology we are embracing not only helps us stay true to our spiritual principles, (the three M's: meetings, meetings and more meetings!), but reminds us that we are unified in our common purpose to help families and friends of alcoholics. We do this by making our meetings accessible to those seeking help—to newcomers and old timers alike. When we open our hearts and minds and our virtual doors, we all benefit!

In love and gratitude and service,
Emily D-C
